

AMENITIES AT AUTUMN FIELDS

Autumn Fields Assisted Living Communities is nestled in the serenity of beautiful countryside located in Kewaunee County. The state of the art Memory Care offers 20 individual suites in a home-like environment. The unique design of this facility provides a residential kitchen with a spacious dining room, living/recreational spaces and intimate space for conversations with family and friends.

Autumn Fields Assisted Living Communities offers the most updated cognitive and physical care for those living with the effects of dementia and Alzheimer's. Our experienced staff is trained to be able to support persons suffering with the effects of this disease through the specialty courses offered throughout the state.

Our Home is designed to cater toward those working through memory impairments. This simplistic, small environment enables our residents to enjoy all of the comforts of home while having their individual needs met in an exclusive setting.
